Saturday's Mentone event - Race Comments:

A fantastic morning for racing with a slight swell and milder temperatures to those predicted for the rest of the day. The foreshore and the bay was buzzing with activity with the locals getting a chance to enjoy the milder morning temperatures and getting their activities in before the temperature started to rise towards the predicted 41.

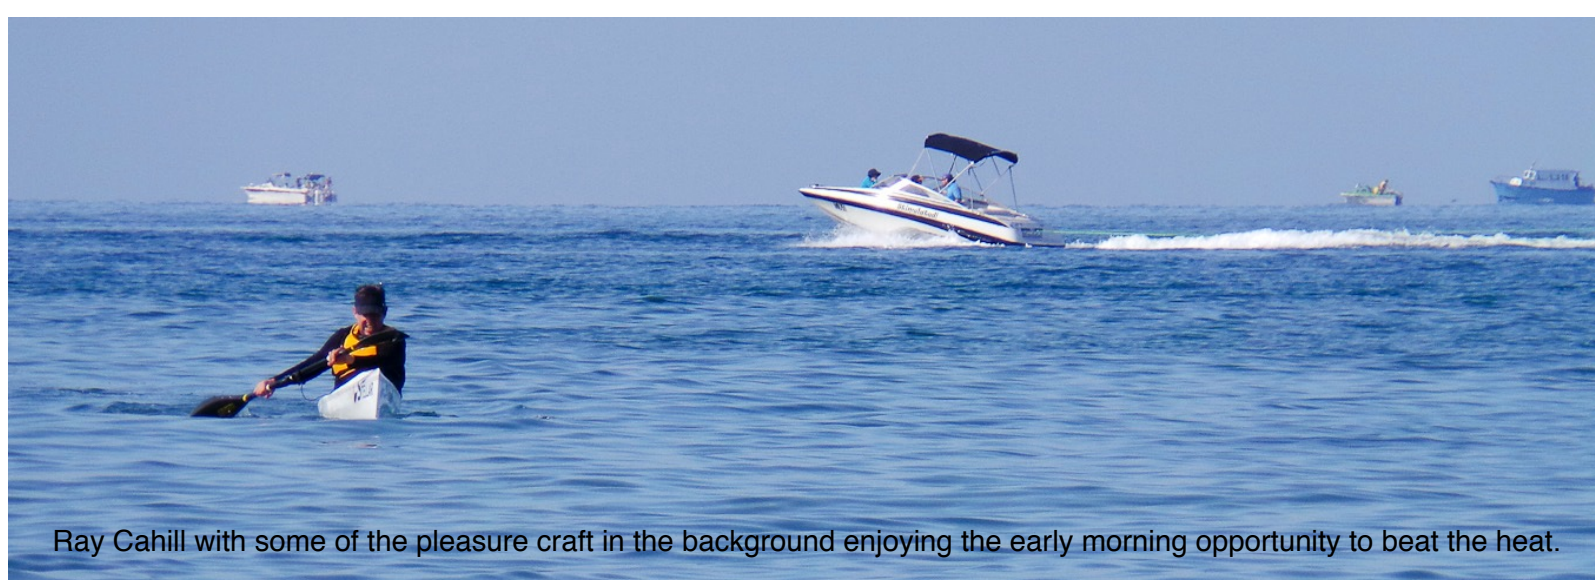

Well done to Robert Davis taking out the Scratch section in a time just a fraction over the 1hr mark. Michael Pelly did well take out the Handicap Event paddling an Vadja Orca Elite ski for the first time, upgrading from his usual Spirit PRS. A warm FPA welcome to first time paddler Tom Angliss who joined the group in his Vadja Hawx. See you all at the next one.

Robert Davis coming into the finish to take out the Scratch section.

Michael Pelly, very happy with his performance, coming into the finish winning the Handicap Section.

Ray Cahill with some of the pleasure craft in the background enjoying the early morning opportunity to beat the heat.

Tom Angliss & Michael Stephens battling out the finish.
